Production Schedule for Conforming Products

The following products were released after January 2006. There is a list of products that are in RoHS Directive-nonconforming transition statu:

Product Series	Model	Steps to eliminate six restricted substances		
		Products free from six restricted substances (excluding electronic components on PCBs) Start of production	Products free from six restricted substances (including electronic components on PCBs) Start of production*	Remarks
GP3000series M class				
GP-3450T	AGP3450-T1-D24	-	On Sale(#16)	#8 New Released
GP-3550T	AGP3550-T1-AF	-	On Sale(#13)	#8 New Released
GP-3650T	AGP3650-T1-AF	-	On Sale(#13)	#8 New Released
GP-3750T	AGP3750-T1-AF	-	On Sale(#9)	
<p>* Products conforming to the RoHS Directive, including electronic components on PCBs, are indicated in this table. According to Pro-face, only those products indicated as including electronic components on PCBs in the above table conform to the RoHS Directive. Correction #1: 2006/01/20, #2: 2006/02/10, #3: 2006/03/22, #4: 2006/04/17, #5: 2006/05/19, #6: 2006/06/09 #7: 2006/06/30, #8: 2006/08/25, #9: 2006/09/05, #10: 2006/10/10 #11: 2006/10/27, #12: 2007/1/17, #13: 2007/3/7, #14: 2007/4/20, #15: 2007/7/20, #16: 2007/10/24, #17: 2008/1/24, #18: 2008/4/18 The schedule has changed due to circumstances beyond our control.</p>
