Trademarks

Microsoft® and Windows® are either registered trademarks or trademarks of Microsoft Corporation in the United States and/or other countries. Other product names used in this manual may be the registered trademarks owned by the respective proprietors.

Before You Start

- Before setting up the operation system, read [MICROSOFT SOFTWARE LICENSE TERMS] in the DVD Recovery Media.
- Use a commercially available USB keyboard and mouse when setting up the operating system.

Operating System Setup

The instructions below describe the setup procedure for Windows®. Settings that need to be configured will differ depending on system configuration. Check with the network administrator beforehand and configure settings correctly.

1. Windows® Embedded Standard 2009

- (1) When you turn on this product with Windows® Embedded Standard 2009 pre-installed, operating system setup automatically starts and finishes.
- (2) The "System Setting Change" window appears. Read the message and click "Yes" to restart this product. Do not operate this product until the system setup is completed. It might take time.

2. Windows® Embedded Standard 7

- (1) When you turn on this product with Windows® Embedded Standard 7 pre-installed, the Windows® Embedded Standard 7 setup window appears. Choose a language and click "Next".
- (2) Enter your language and other preferences and click "Next".
- (3) Enter a user name and computer name that can be recognized on the network, and click "Next".
- (4) A window for configuring user account security settings appears. Type a password, retype a password, type a password hint and click "Next".
- (5) Read the license terms, click "I accept the license terms", and then click "Next".
- (6) The "Review your time and date setting" window appears. Choose a

time zone and data, and the click "Next".

- (7) Operating system setup starts. When setup is complete, this product automatically restarts.

Do not operate this product until the system setup is completed. It might take time.

NOTE: For a recovery procedure, refer to the PDF file in the DVD Recovery Media.
