BOX HMI with QR Code for mobile HMI operation

Multiple machines or stations

END User Production Management, Machine builder

"Effective & Mobile operations"
by QR code + Tablet for mobile HMI operation

Movable	**Saving space**	**Cost Effective**	**Secure**
Move close to the places to check (defected places or critical places).	Space to mount HMI is not necessary.	Manage multiple machines or stations by one tablet + multiple HMI Boxes.	By using QR code, operator can make sure to connect to the targeted HMI Box.
