ST6000 Series (ST-6300T / 6500T)
GP-Pro EX model

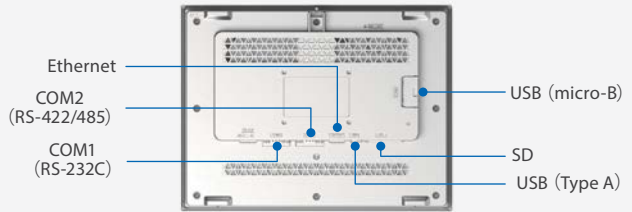

profaceamerica.com

Pro-faceTM
by **Schneider** Electric

Easy migration to the latest HMI

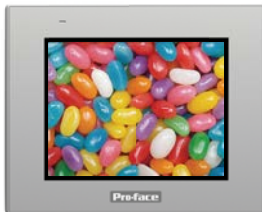

- Panel cut-out compatibility
- Utilize the same application (GP-Pro EX) and leverage existing assets
- Minimum modification to install new HMI (Compatible Interface specification)

- Keep using the current system structure (Pro-face Connectivity)

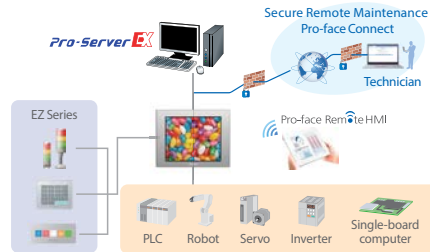

High resolution and more colors

Achieve the previously unimaginable and bring displays to life with high resolution and 16 million colors.

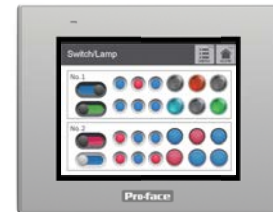

Connected and Secure

User-friendly protocols allowing you to connect your devices with ease via multiple interfaces and connect OT to IT.

Modern styling with free stylish images

Improvement of the existing assets by using free stylish parts enables change to modern machine interface easily.

Specification comparison
